### Family Background & More Information:

Both of Dickson's are dead, with the last parent dying the year he was born. Dickson lived with his grandmother for 3 years after his parents died. His grandmother visits every week. Dickson also has a sister, Nain, who is staying at HCH.

Dickson knows Jesus as his personal Lord and Savior.

Dickson is one of the stronger, more silent boys of the middle age range. He chooses not to pick on the younger children, but instead, is a kind and gentle leader among his peers. He loves soccer and goofing around in the field behind the orphanage. He is also a good student.

Dickson wants to be a taxi driver when he grows up.
