Family Background & More Information:

Fedelise's mother died in 2005. His father is still living, but is very old and unable to support him. He has two older sisters that are staying with their Aunt, Eucharía Nain. She is a farmer and occasionally brings fruit for the children at HCH. Fedelise experienced very poor living conditions before coming to HCH. He is extremely physically active. He loves to run, even when he has nowhere to go! He is very small for his age, but what he lacks in size he makes up for with determination. He is very competitive and plays soccer with the older boys. He likes sports and likes to get dirty.

Fedelise wants to be a mechanic when he grows up.
