### Family Background & More Information:

Both of Kerice's parents died around 1998. His twin brother also died. He has a sister named Lizette who is also staying at HCH. He is much lighter in complexion than all the other children at HCH, but they do not tease him for it. He has greenish eyes, which are unique compared to all the other children who have brown eyes. He loves to play outside and is often independent in his playing. He is creative and likes to play in the sand.

Kerice wants to be a bricklayer when he grows up.
