Yambu Levi Nyah

“Levi”

Family Background & More Information:

Levi was born around 1998-1999. His birth certificate was lost in a house fire. Our records on his family background are very minimal. We know that his mother died in 2003. His brother Julius is also staying at HCH. Levi seems to really enjoy playing with the other kids at HCH and is very creative. He is sometimes shy around adults but loves to have fun playing with his friends.

Levi wants to be a pastor when he grows up.
