Family Background & More Information:

Nathaniel's uncle is pastor Meghele Francis Timngum of a nearby church (Joseph Merrick Baptist Church). His father was also a pastor and died of HIV/AIDS in 2005. His mother is still alive. She is a poor farmer and not able to support him. He has one brother and one sister. They are staying at home with their mother. Their mother didn't want to bring his siblings to HCH because they were very young and sick. (She wanted to give them direct care.)

Nathaniel has a big smile and loves to play soccer and other games with the boys at HCH.

Nathaniel wants to be a bricklayer when he grows up.
