Date of Admission: June 26, 2007

Gender: Female

Favorite Color: White

Family Background & More Information:

Both of Benedette's parents are dead, with the last parent dying in 2007. No additional information is available on their deaths or where she stayed before coming to HCH. She does have relatives that visit approximately once a quarter.

Benedette has the can-do attitude of some of the older children, and is quick to stand up for herself and her friends. Occasionally she is picked on due to her small stature, but with her feisty attitude, she does well to take care of herself.

Benedette wants to be a nurse when she grows up.
