Family Background & More
Information:

Claris is one of 6 children. Her younger brother Finain is also staying at HCH. Their mother was not married and died in 2005 with boils on her body. (We have no official medical records). We have no record of their father. After their mother's death Claris and her siblings went to stay with an aunt named Rose Nain. She is very poor and unable to support all the children. Claris is responsible and mature. She has a calm and peaceful personality.

Claris wants to be a seamstress when she grows up.
