

Harvest Children's Home

Tim Jusphine Nayah

“Jusphine”

Family Background & More Information:

Jusphine's father died in 1998. Her mother is still living but is unable to care for her.

Jusphine is always singing and reading her Bible. She loves to play games with the other girls, but is not afraid to jump in and play a game of soccer with the boys. A natural leader among the smaller girls, she is quick to try to teach a lesson from any situation.

Jusphine wants to be a nurse when she grows up.
