### Family Background & More Information:

Nain's mother died after a long illness. She was not married and we have no record of the father. Her grandmother is Veronica Neng. She is an old widow and a farmer. She is frequently sick and unable to support children, so Nain and her brother Dickson were brought to HCH. She really loves to interact with the staff and the children her age at the orphanage. She has a great sense of humor.

Nain wants to be a teacher when she grows up.
